

How to Consider and Communicate God's Work in Your Life...

Read Galatians 1:13-24; Philippians 3:4-11

What stands out to you about Paul's testimony? Who is the central character?

Consider

What is the Gospel? What does God want for us, and how does He produce it?

Reflect

People – *Who has God used in my life to plant, water, and nurture the Gospel in me?*

Providences – *What circumstances has He used to shape me the most?*

Persuasion – *How was I persuaded of the truth and beauty of the Gospel? How am I still being persuaded in these regards?*
